

BEFORE THE
WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 203

Served September 18, 1962

IN THE MATTER OF:

Order of Investigation of the)
Operations of Montgomery Charter)
Service, Inc., of Bethesda, Maryland) Docket No. 18

Montgomery Charter Service, Inc., has filed an application for reconsideration of those portions of Commission Order No. 172 that (1) orders Montgomery Charter Service to cease and desist from transporting passengers for hire on a scheduled basis between a terminal in Montgomery County, Maryland, and Washington National Airport, and (2) exempts Montgomery Charter Service's other operations on the basis that they are a type of taxicab operation.

Thus, two grounds of error are claimed, and Montgomery seeks reconsideration and further hearing.

In deciding this matter the Commission gave careful and deliberate consideration to the facts of this proceeding, and the Compact and its legislative history. The findings of facts and conclusions of law, are, we believe, in accord with the facts of this case and the intent of the legislatures of the signatories to the Compact. We conclude that the errors claimed are groundless and are of the opinion that they should be rejected and the application for reconsideration be denied.

BY DIRECTION OF THE COMMISSION:

DELMER ISON
Executive Director
